

**CITY OF NUREMBERG ·**  
**Department of Education, Schools & Sports ·**  
**Hauptmarkt 18 · 90403 Nürnberg · Germany**

### KEIM – Keep Energy in Mind

#### **1<sup>st</sup> goal:**

Students get instructions how to save water and energy in school and learn how to adapt this knowledge for their daily life.

#### **2<sup>nd</sup> goal:**

Annually contest of the Department of Education, Schools and Sports in cooperation with the local energy-provider E-Nergie to educate pupils, teachers, and parents and also to save costs for water and energy.

### NATURE IN THE CITY – Abenteuer Stadt-Na(h)tur

#### **1<sup>st</sup> day: Explore School Grounds**

Students explore immediate school grounds as habitat for animals, insects and plants and to record their discoveries.

#### **2<sup>nd</sup> day: Protect nature and get active**

Students create posters to present their findings and discuss the relevance of living environment in Nuremberg.

### PROTECT YOUR WATER – Was(s)erleben in Nürnberg

#### **1<sup>st</sup> day: field trip**

Students visit a local river or pond, search for animals, document their results and learn in a playful way, why the protection of drinking water and prevention of water pollution is important.

#### **2<sup>nd</sup> day: (drinking) water in Nuremberg**

Students get to know the drinking water circuit of Nuremberg and make experiments.
